Powering Safe, Comfortable Senior Living Communities.

FSG, in partnership with LCS Group Purchasing, delivers electrical service, lighting, backup generators, and energy solutions that keep senior living communities safe, reliable, and comfortable.

- ✓ **40+ Years Nationwide Experience**
- ✓ **Trusted by Senior Living Operators**
- ✓ **National Reach, Local Support**
- ✓ **Safety-First Commitment**
- ✓ **Resident-Centered Approach**

For more than 40 years, FSG has helped senior living communities create safe, welcoming spaces where residents feel at home and directors can focus on care—not electrical problems.

With industry-leading safety numbers, our teams complete projects seamlessly, without disrupting daily operations or residents' peace of mind.
