

INSIDE EDGE

We specialize in providing **nationwide refresh and remodel solutions** tailored to senior living facilities.

Our roots are in nationwide flooring installation, but we've evolved to deliver a full range of interior finishing services, including **painting, cabinetry, ceiling restoration, and specialty coatings.**

Our **Custom Cabinetry** can be designed and manufactured for a stand alone location or for a multi unit program.

CUSTOM CABINETS

We specialize in **designing and fabricating** custom cabinets that **perfectly reflects your brand**.

With domestic & international manufacturing capabilities, we deliver **high-quality, cost-effective solutions** that are tailored specifically to your needs.

INSIDE EDGE INTERIOR FINISHING SERVICES

From flooring installation to **interior finishing services**, we can provide the solutions you need.

Flooring, painting, cabinetry, ceiling restoration, specialty coatings & lighting.

PROGRAM OVERVIEW

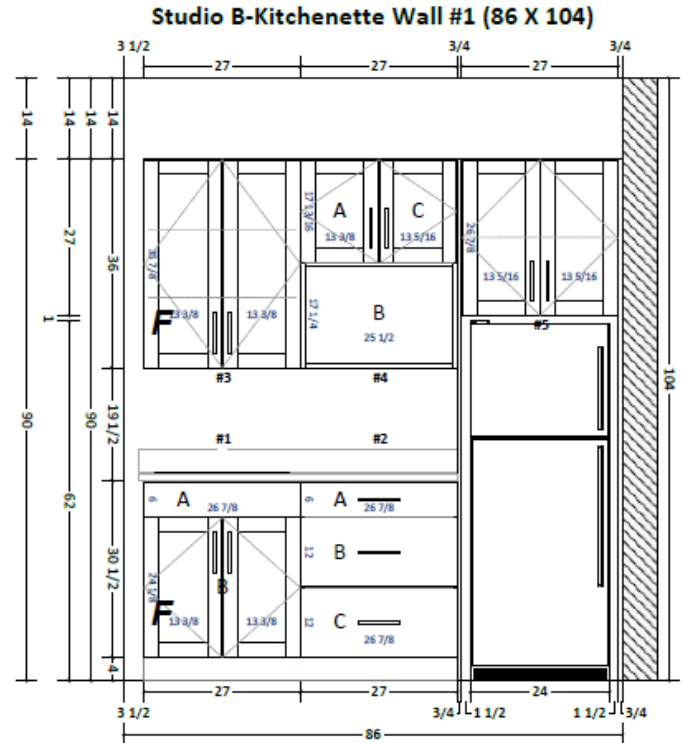

Cabinetry to meet your needs and budget

- We take your specs and prototype drawings and bring your vision to reality.
- Multiple styles, colors and stains to provide an updated look.
- Stocking programs to meet your timeline.
- Value engineering and design assistance available.
- Made in the USA options.

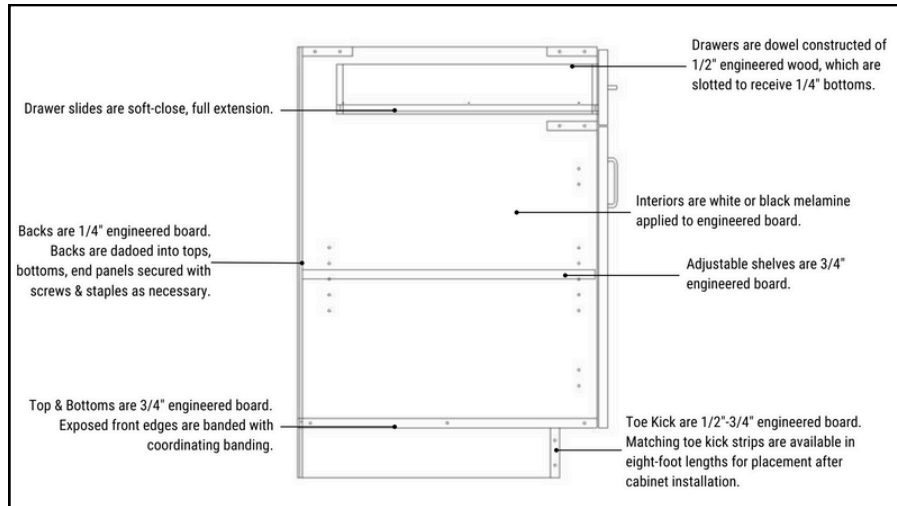

DESIGN TO INCEPTION

- Cabinets built to prototype or custom specification.
- Elevations, plans, & 3D renderings provided.
- Shop drawings developed for review & approval.
- Program stocking options available.
- Standard production 6-8 weeks, rush options available.

CONSTRUCTION HIGHLIGHTS

- Several door styles available in laminate or wood (stained or painted).
- Soft-close doors & drawers standard.
- Custom options and accessories available.
- Height & depth variations available to meet ADA requirements.

PROJECT IN A BOX

What if you had one vendor to supply all the parts and pieces to renovate your kitchenette or breakroom?

Inside Edge can provide you a **“Project in a Box”**.

A crate shipped directly to your project location with everything you need inside!

“PROJECT IN A BOX”

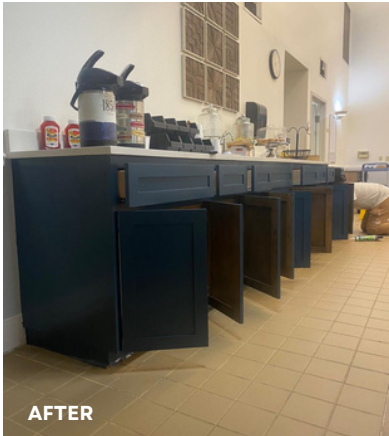

- Cabinetry & Shelving
- Resilient flooring
- Countertop
- Cabinetry hardware, sink and faucet
- Lighting
