

Case Study

Freedom Village of Brandywine

CHALLENGE

Freedom Village of Brandywine, a senior living community within the LCS network, needed an energy partner to help manage rising utility costs in Pennsylvania. With market prices continuing to trend upward, the community faced the risk of significant budget impacts and financial uncertainty. Beyond cost control, Freedom Village required a partner that could provide a proactive, long-term strategy aligned with LCS's commitment to sustainability and operational excellence.

AT A GLANCE

- ▲ **Location:** Pennsylvania
- ▲ **Building Type(s):** Senior Living Community
- ▲ **Services Performed:** Electricity Procurement
- ▲ **Community Savings:** \$221,000

APPROACH AND SOLUTION

As an Exclusive Vendor of LCS, Titan Energy began working with Freedom Village of Brandywine in January 2024. Leveraging deep market expertise and independent consultancy, Titan Energy secured a 24-month electricity contract at a competitive rate of \$0.06631/kWh. This forward-looking strategy provided immediate protection against rising utility prices, which later climbed to \$0.09382/kWh in Pennsylvania.

The Result

Year-to-date savings of \$221,000 since the contract began. By prioritizing stability, cost savings, and sustainability, Titan Energy ensured Freedom Village could focus on delivering high-quality care to its residents without disruption from energy market volatility.
